

## YOWAS DHANUSKA

### INTERN WEB DEVELOPER

#### OBJECT

I am a dedicated final-year undergraduate in Information and Communication Technology at the University of Vavuniya. Actively pursuing roles in Full stack developer. With a solid academic foundation and practical experience, I'm eager to contribute my skills to an innovative organization. My passion lies in developing software and ensuring quality products. Excited to bring value and excel in these fields. I am confident that my positive attitude, collaborative spirit, and problem-solving skills will make me an asset to any team.
